Q7) Why should I hire you?

Ans → As I am a hard working candidate and quick learner so I will adapt all new challenges and give my best for the company's success.

Q8) Why do you want to work at our company?

Ans → I have heard about company's growth and I always wanted to do work with such a company from where I can start my career and can get success in life.

Q13) Why have you been out of work so long?

Ans → After graduation, I have started doing preparation for central and state government exams. In a few exams, I have got cleared a few exams, like Assistant loco pilot, in which I cleared CBT-1, 2 and physics test but due to my eyesight I got rejected in medical round, after that I cleared Railway NTPC and state pattern exam. Along with that I was teaching in a school but ~~My~~ My plan - B was always to do work in a IT company.

Q10) Describe your ideal company, location and job

→ My ideal company is Google and Microsoft which are situated in USA. And I ~~want~~ ^{dream} to do work as a senior software tester in future in these companies.

Q16) Tell me about a situation when your work was criticized?

→ In past, when I was teaching in a school, the school incharge gave me a task to teach ~~science~~ ^{maths} to students because I was working as a Science teacher before. So ^{when} I was teaching maths, and that time principal of that school came to the class and started teaching maths in wrong way and told me that I ~~am~~ was teaching wrong. But after clarification she accepted her mistakes.

Q17) Who has inspired you in your life and why?

→ Many people inspired me in my life. But one of my friends, whose name is Megha, inspired me a lot. She did very hard work to get job and ~~also~~ she always try to give her best. Now she is earning

_1_1_

so well. ~~They~~^{She} inspired me so much.

Q 41) You've been with your firm a long time. Won't it be hard switching to a new company?

Ans: It can be hard switching to a new company but for personal growth we should switch to a new company after doing work with any firm a long time. We should learn to adapt new environment and new challenges.

50
Q 50) Have you consider starting your own business?

→ Yes, I have consider starting my own business but after gaining a lot of experience. I want to start up related to my field.

Q 51) How do you define success and how do you measure up to your own definitions?

→ Success is define as Achievements. when I achieve my goal and my aim then I will consider this as success. As Now I want to be software tester but after ~~a~~ few years, I want to be senior software testing engineer and after that as Team leader.

Q (2) Why should I hire you from the outside when I could promote someone from within?

→ As a fresher, I bring a fresh perspective and new ideas to the company. I am eager to learn and grow in my role. I believe that my unique skills and abilities make me a valuable candidate to the team.
